

State Representative Rick Stream

Proven Leadership, Service and Commitment

Dear Friend,

It has been an honor to represent Kirkwood and Des Peres in the 94th General Assembly. My first term in the General Assembly has been exciting and productive. Some people believed that nothing constructive would be accomplished in Jefferson City in an election year, but thanks to Republican leadership, exceptional legislation was passed which includes:

- Property tax reform
- Immigration reform
- Lowering taxes
- Creating jobs by promoting a favorable climate for economic growth
- Providing more funding for education and social services

All of this was done with the additional revenue due to economic growth and the creation of nearly 93,000 new jobs in the last four years. We did all of this **WITH NO NEW TAXES!**

In Jefferson City, I was fortunate to serve on four influential committees: Budget, Appropriations-Education, Elementary and Secondary Education, and Small Business. I filed three bills which became law; property tax reform, improving services for our veterans by increasing the number of Veterans Service Officers, and providing more protection for victims of sexual crimes. With every action and decision, I remain focused on Missouri's motto, "the welfare of the people is supreme."

My legislative goals for the next term are:

- Keep taxes low
- Work for affordable health coverage
- Expand Immigration Reform
- Reduce America's dependence on foreign energy
- Reduce illegal drug production
- Continue education reform

My opponent will campaign hard, but **I promise to work even harder**, visiting **every** neighborhood, raising money, and putting up yard signs for the August primary and for the November election. I want to thank you sincerely for your support in 2006. In order to win in this crucial election year, I hope I can count on your support again. Please indicate your support on the enclosed survey and feel free to communicate the issues that are important to you. A self addressed envelope is provided for your convenience. I deeply appreciate any support that you can give. I look forward to representing you again in the great state of Missouri.

Sincerely,
